Agriculture & Grazing Management Bureau

Elliott Ranch Proposed Pivot - Lease 5204

Break up approximately 124 acres of native rangeland, install a water pipeline, and install a short power line.

Proposed Implementation Date: 4/1/2006

County: Broadwater

Nate Finch Small Acreage Grazing to Ag Conversion Request

Convert approximately 3 to 5 acres from native range sagebrush/grassland to irrigated grass hay production.

Proposed Implementation Date: 4/1/2006

County: Beaverhead

Flage-Smith Water Line and Stock Tank (7339,3660,5744)

Install a stockwater development system to provide a reliable source of water to tracts of land.

Proposed Implementation Date: 5/1/2006

County: Toole

Water Development (Sec 12)

Develop a spring and transport water to a stocktank for the purpose of livestock use.

Proposed Implementation Date: 5/1/2006

County: Fergus

Water Development (Sec 15)

Develop a spring and transport water to a stocktank for the purpose of livestock use.

Proposed Implementation Date: 5/1/2006

County: Fergus

Water Development L#4591

Placement of a buried water pipeline and stocktank for livestock use.

Proposed Implementation Date: 5/1/2006

County: Petroleum

Water Development L#5422

Construction of a water pipeline and hydrant for livestock use.

Proposed Implementation Date: 5/1/2006

County: Petroleum

Water Development L#7874

Construction of a water pipeline and hydrant for livestock use.

Proposed Implementation Date: 5/1/2006

County: Petroleum

Proposed Pipeline - Land Use Licenses 8513

Install approximately 500 feet of plast pipeline on state land to transport water for stockwater purposes.

Proposed Implementation Date: 5/31/2006

County: Jefferson

Stockwater Pipeline and Tanks

Placement of a new stockwater pipeline with tanks.

Proposed Implementation Date: 6/1/2006

County: Chouteau

Water Pipe Line & Stock Tanks

Install a water pipeline, water collection cistern and two stock tanks to supply water to livestock.

Proposed Implementation Date: 6/1/2006

County: Sheridan

Forest Management Bureau

Old Highway Timber Sale Project

Harvest approximately 4.9 million board feet of sawlogs and nonsawlog material from 974 acres.

Proposed Implementation Date: 4/1/2006

County: Flathead

East Sarpy Salvage Timber Sale

Commercial timber harvest of salvable burned and live greenn ponderosa pine from approximately 297 acres of timber land.

Proposed Implementation Date: 5/1/2006

County: Big Horn

Beaver Creek Conglomerate Timber Sale

Commercial timber harvest of ponderosa pine from appoximately 1200-1700 acres of timber land.

Proposed Implementation Date: 6/1/2006

County: Powder River

Dry Bear Mouth Timber Sale

Harvest approximately 40,000 tons (5.7 million board feet) of timber on 1700 acres.

Proposed Implementation Date: 6/1/2006

County: Powell/Granite

Granite Creek Salvage Timber Permit

Salvage harvest approximately 200 tons of dead and down sawlogs from 45 acres.

Proposed Implementation Date: 6/15/2006

County: Lincoln

Keep Cool Bugs Timber Sale

Harvest approx. 1.3 MMBF of trees from approx. 208 acres.

Proposed Implementation Date: 6/15/2006

County: Lewis and Clark

Monkey Boy Timber Permit

Commercial timber permit to harvest an estimated 100 MBF of Douglas-fir timber from approximately 26 acres.

Proposed Implementation Date: 6/15/2006

County: Madison

Minerals Management Bureau

Seismic 1469, Cottonwood Prospect

Conduct a seismic survey.

Proposed Implementation Date: 4/1/2006

County: Roosevelt/Richland

Klabzuba Oil & Gas, Inc. Lease 3231, Well 8-6-36-15

Request to use an existing two-track trail across state land for an access road into a newly drilled natural gas well on deeded land.

Proposed Implementation Date: 4/14/2006

County: Hill

Proposed Exploratory Natural Gas Well SW Cherry Patch #8-36 Well

Drill an exploratory natural gas well and construct an access road across a tract of grazing land.

Proposed Implementation Date: 4/15/2006

County: Blaine

State #16-7 Well (SW1/4NE1/4) & State Dir. #16-9 Well and Access Roads

Drill two natural gas test wells and construct access roads into the well sites.

Proposed Implementation Date: 4/15/2006

County: Blaine

Burlington Resources ELOB Unit Water Injector Plant

Construct a water injection plant and subsequent injection lines to aid in the continued development of the ELOB waterflood unit.

Proposed Implementation Date: 5/1/2006

County: Fallon

Burning Tree Edward 36-3/25-H Well

Access and build an oil well location.

Proposed Implementation Date: 5/1/2006

County: Richland

Encore Flow Line Project

Install an underground oil flow pipeline from Well #11x-16.

Proposed Implementation Date: 5/1/2006

County: Fallon

Encore Operating Well 33x-16AH

Drill a well and put in a pad and access road/

Proposed Implementation Date: 5/1/2006

County: Wibaux

Encore Operating Well 42-36

Re-enter a well and add an air injection line to the well site.

Proposed Implementation Date: 5/1/2006

County: Fallon

Fidelity Gas Well 459 Pipeline Project

Installation of a new 4" gas line from well #459 across state land.

Proposed Implementation Date: 5/1/2006

County: Fallon

Gas Pipelines to oil Well Locations

Install gas pipelines to oil wells.

Proposed Implementation Date: 5/1/2006

County: Richland

Installation and Expansion of Existing Oil & Gas Pad Site

Expansion of an existing oil and gas pad site.

Proposed Implementation Date: 5/1/2006

County: Richland

Installation of a Natural Gas Pipeline (Richland)

Install a natural gas pipeline across state land to facilitate an efficient method of transporting natural gas to end users.

Proposed Implementation Date: 5/1/2006

County: Richland

Installation of an Oil Pipeline

Install an oil pipeline across section 16 to facilitate an efficient method of transporting oil to end users.

Proposed Implementation Date: 5/1/2006

County: Richland

Proposed Exploratory Natural Gas Well & Access Road State #6-7 Well

Drill an exploratory natural gas well and construct an access road across a tract of state grazing land.

Proposed Implementation Date: 5/15/2006

County: Hill

Battle Creek #14-16 Gas Well (SESW)

Drill an exploratory natural gas well on a tract of state grazing land.

Proposed Implementation Date: 5/20/2006

County: Blaine

Exploratory Natural Gas Wells State #36-5 Well and State #36-13 Well

Drill two exploratory natural gas wells and construct access roads.

Proposed Implementation Date: 5/20/2006

County: Hill

Installation of an Oil Pipeline

Install an oil pipeline across section 36 to facilitate an efficient method of transporting oil to end users.

Proposed Implementation Date: 6/1/2006

County: Richland

Natural Gas Pipeline

LUL application to place a 4 inch poly natural gas pipeline on state land.

Proposed Implementation Date: 6/1/2006

County: Sheridan

Proposed Natural Gas Well & Access Road State #36-12 Well

Proposal to drill a natural gas well and construct an access road into the well site on a tract of grazing land.

Proposed Implementation Date: 6/1/2006

County: Blaine

Diamond 1-36

Drill a vertical well in the Nisku Formation.

Proposed Implementation Date: 6/15/2006

County: Roosevelt

Proposed Exploratory Natural Gas Well State #16-9 Well (NESE)

Drill an exploratory natural gas well and construct an access road into the well site.

Proposed Implementation Date: 6/15/2006

County: Blaine

Real Estate Management Bureau

Domestic Water Line LUL #8515

Provide an access route for a domestic water line in order to supply water to the proponent's residence.

Proposed Implementation Date: 4/1/2006

County: Toole

Horning ROW

Easement for a road to access private property.

Proposed Implementation Date: 4/1/2006

County: Lewis and Clark

R/W Easement

Easement for a buried fiber optic cable.

Proposed Implementation Date: 4/17/2006

County: Judith Basin

Access Road to BR 41-6H 43 Well

Build an access road to an oil well location on private land.

Proposed Implementation Date: 5/1/2006

County: Richland

Encore Operating Oil Field Utility Project

Overhead power line to service several wells and other oil field improvements.

Proposed Implementation Date: 5/1/2006

County: Fallon

Installation of Ingress/Egress Route (Richland County)

Install a route for Ingress/Egress to access adjacent land.

Proposed Implementation Date: 5/1/2006

County: Richland

MDU Utility Line T7N-61E-19

Install an overhead power line to distribute the heavy summer electrical load between two substations.

Proposed Implementation Date: 5/1/2006

County: Fallon

Temporary Construction Area within Lease 9243

Use state land during the construction process of installing culverts under Highway 191.

Proposed Implementation Date: 5/1/2006

County: Phillips

Access for Montana Flour & Grains

Access to private property to conduct a grain cleaning business and related activities.

Proposed Implementation Date: 6/1/2006

County: Chouteau

Vigilante Electric Cooperative Power Line Right of Way Application

City of Wisdom is upgrading the city waste water treatment system.

Proposed Implementation Date: 6/1/2006

County: Beaverhead

Forestry Division

Service Forestry Bureau

Rammell-Seely Lake Fuel Reduction Project

Alternative practice to the SMZ involving the removal of trees for fire hazard.

Proposed Implementation Date: 5/1/2006

County: Missoula

Rocking Chair Ranch Alternative Practice

Operating equipment in an SMZ in to remove insect timber in an SMZ.

Proposed Implementation Date: 6/1/2006

County: Granite

Granit Creek Salvage/Equipment Operation in SMZ

Operate tracked or wheeled skidding equipment in class three SMZ.

Proposed Implementation Date: 6/15/2006

County: Lincoln

Jack Piippo HRA#32-B-37108

Allow equipment in the SMZ in order to salvage dead or dying trees and remove hazard trees from a residential lot along the Clearwater River.

Proposed Implementation Date: 6/19/2006

County: Missoula
